📦 Dynamic Packaging

The Reservation System Improved For Group Hotels

You can make more profitable B2B and B2C sales at lower costs from your websites or through your call center by dynamically packing your hotels with flights and transfer and sell them online.

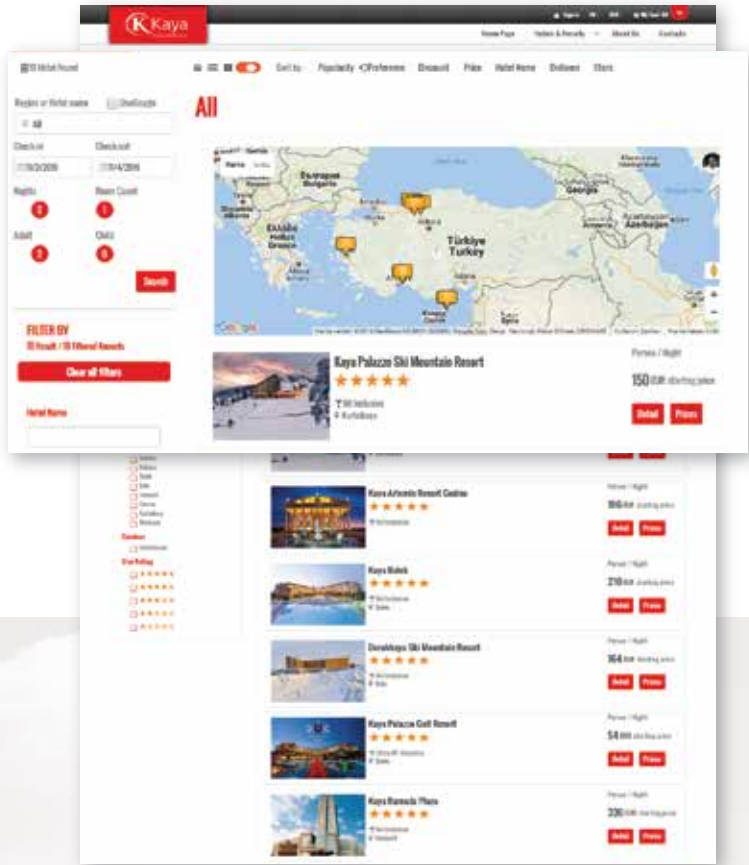

Cost Effective Sales in B2C

You can create more sales opportunities and advertise the hotels at low cost by selling them through the same portal.

When there is no available room in one of your hotels, you offer the most appropriate and affordable room to your customers more confidently.

You get a chance to advert your other hotels to your customers staying in your hotel.

Customised Design and Functions

Customised design compatible with your corporate identity and website.

Mode of operation and functions can be completely configured.

Specially improved infrastructure for SEO and AdWords.

Corporate design.

Easy And Fast Reservation On One Screen

Offering an easy and fast reservation experience is the most important feature of Travelaps.

Highly simple and functional user-interface has been designed in order to actualise this feature

Accessing the daily price and availability through one screen.

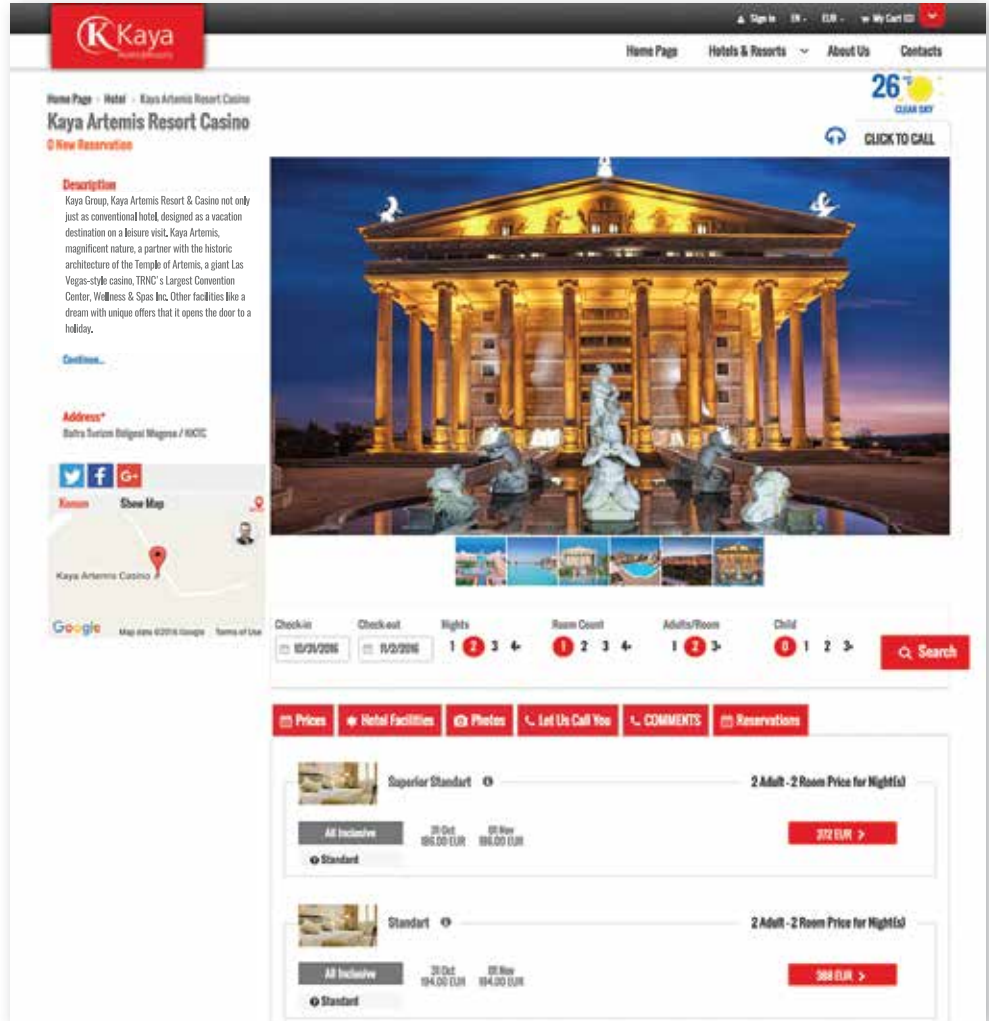

Highlighting the discounts and promotions.

Contact request, navigation, weather forecast and online support.

Accessing comments through reservation page.

Making a reservation by a single click.

Making a reservation for different room types and periods through the same screen.

The screenshot shows the Kaya Artemis Resort Casino website. At the top, there is a navigation bar with 'Home Page', 'Hotels & Resorts', 'About Us', and 'Contacts'. A weather widget shows '26°C CLEAR SKY' and a 'CLICK TO CALL' button. The main content area features a large image of the resort's classical architecture. Below the image, there is a reservation form with fields for 'Check-in' (10/20/2016), 'Check-out' (11/2/2016), 'Nights' (1, 2, 3, 4), 'Room Count' (1, 2, 3, 4), 'Adults/Room' (1, 2, 3), and 'Child' (0, 1, 2, 3). A search button is located to the right of the form. Below the form, there are tabs for 'Prices', 'Hotel Facilities', 'Photos', 'Let Us Call You', 'COMMENTS', and 'Reservations'. Two room options are displayed: 'Superior Standard' and 'Standard', each with an 'All Inclusive' price and a 'Standard' price. The 'Superior Standard' room is priced at 372 EUR, and the 'Standard' room is priced at 388 EUR.

Effortless and Productive Collaboration With Agencies (B2B)

You can expose your hotel for online sale for 800 thousand agency.

You can accept the application of online agencies and receive online application by encrypted log-in.

As you can define contracts, actions and discounts in details, you can also expose the hotels which you work on a request for sale, based on a commission rate from online prices.

You can accept the payments as explicit current account, credit card or transfer.

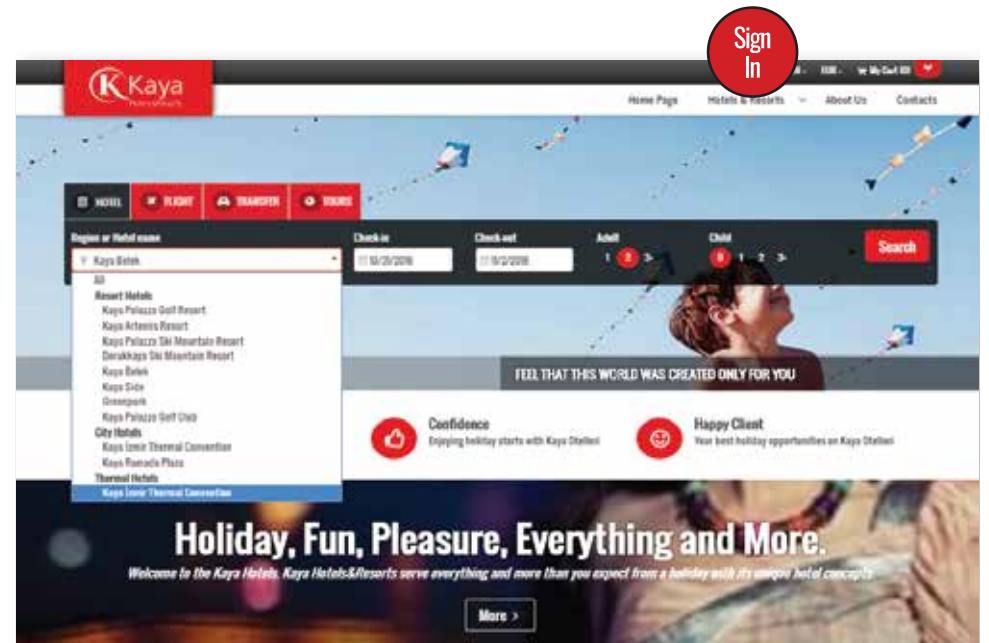

If you wish, you can accept online reservations through XML by giving the availabilities and prices to the hotels with XML.

Integrated Call Centre System

Your IP switchboard and central reservation system can work integrately thus you can follow-up calling and call-back request as online.

You can access the details of the customers who call you.

You can complete the reservation by receiving the credit card information through telephone keying.

The screenshot shows the Kaya website with a search form and a list of hotels. A 'Sign In' button is visible in the top right corner. The search form includes fields for 'Region or Hotel name', 'Check-in' (11/15/2016), 'Check-out' (11/20/2016), 'Adult' (1, 2, 3), and 'Child' (0, 1, 2, 3). A search button is located to the right of the form. Below the search form, there is a list of hotels including 'Kaya Batak', 'Kaya Pelicco Golf Resort', 'Kaya Pelicco Ski Mountain Resort', 'Kaya Pelicco Ski Mountain Resort', 'Kaya Side', 'Kaya Side', 'Kaya Side', 'Kaya Pelicco Golf Club', 'City Hotels', 'Kaya Izmir Thermal Convention', 'Kaya Rzeszow Plaza', and 'Thermal Hotels'. The website also features a banner with the text 'FEEL THAT THIS WORLD WAS CREATED ONLY FOR YOU' and a 'Happy Client' testimonial. At the bottom, there is a large banner with the text 'Holiday, Fun, Pleasure, Everything and More.' and a 'More >' button.

Confirmation Process Management

You can control and manage the discount and price definition from a single centre.

As you specify, when a new price or an action are defined, it goes through the approval procedure.

The automatic confirmation mail is sent for a private price, discount or a promotion and it is activated by an approval.

The reservations in the hotel system can be checked and repriced together with the contracts approved in the system and any price difference can be reported.

Market-Based Pricing , Multiple Language and Currency

Market- based price and stop sell can be defined

If you wish, you can offer a price included flight and transfer.

Operating with 40 different languages and 80 different currency.

Extranet Structure Improved for the Hotel

Daily hotel information can be transacted through extranet.

Price and availability can be updated easily.

Received reservations can be checked.

Contact and callings can be followed up.

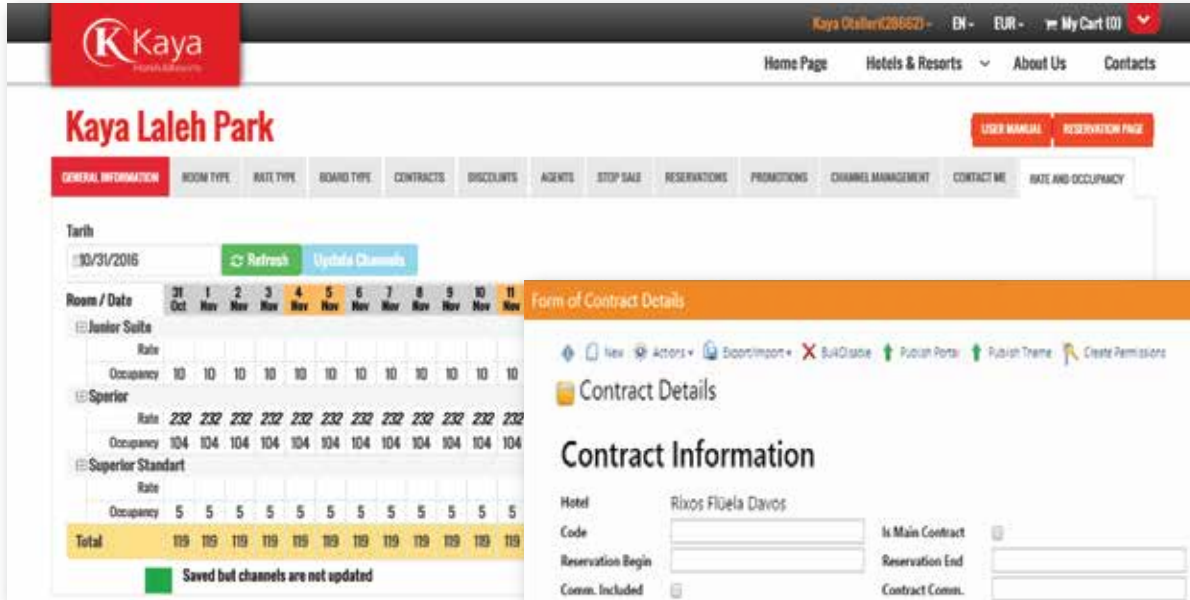

Global Awarded Infrastructure

Travelaps was announced as one of the most 20 accommodation and travel solutions of the world in 2016.

Co-Branding with Microsoft

Due to partner with Microsoft USA on accommodation solution, Travelaps co-brands with Microsoft USA.

The screenshot shows the Kaya website interface. At the top, there's a navigation bar with 'Home Page', 'Hotels & Resorts', 'About Us', and 'Contacts'. Below that, the main header for 'Kaya Laleh Park' is visible. A navigation menu includes 'GENERAL INFORMATION', 'ROOM TYPE', 'RATE TYPE', 'BOARD TYPE', 'CONTRACTS', 'DISCOUNTS', 'AGENTS', 'STOP SALE', 'RESERVATIONS', 'PROMOTIONS', 'CHANGES MANAGEMENT', 'CONTACT ME', and 'RATE AND OCCUPANCY'. The main content area shows a calendar for 'Tarix' with dates from 30/3/2016 to 11/11/2016. Below the calendar, there are sections for 'Junior Suite', 'Superior', and 'Superior Standard' with their respective rates and occupancy. A 'Form of Contract Details' section is also visible, showing contract information for 'Rixos Fideia Davos'.

Detailed Contract Structure

The detailed structure of contracts provides an easier understanding of all contracts and discounts.

Related agencies can download these contracts by log-in with a password.

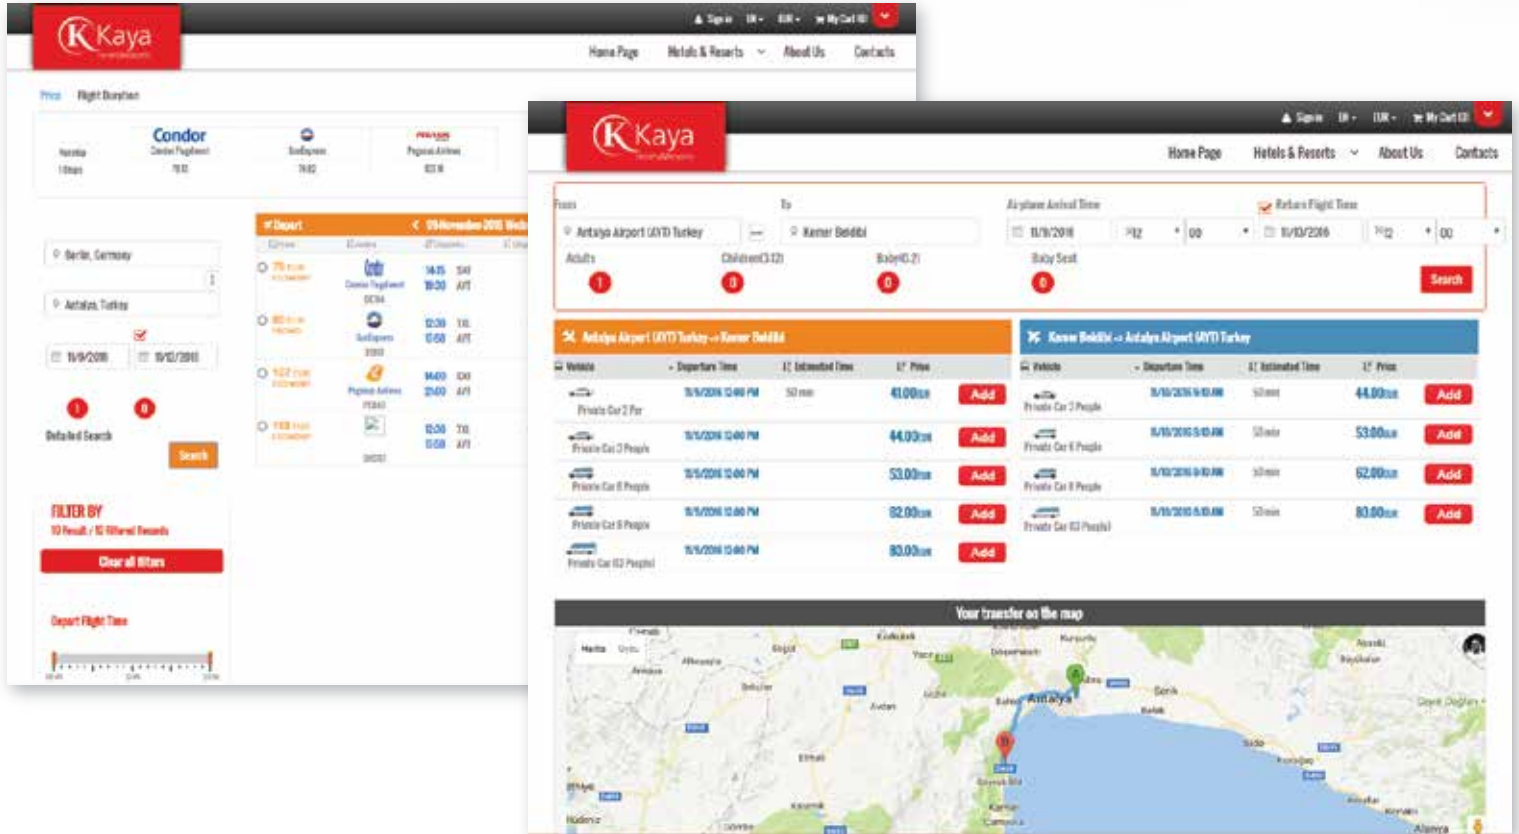

In the structure of these contracts there are some beneficial features such as,

- Reservation Sales Period
- Maximum / Minimum Length of Staying
- Discounts on Either Percentage or Amount.
- Types of Prices Such as Refundable/ Non-Refundable Prices
- Check-In Check-Out Days
- Promotions Such as Stay 7 Days, Pay For 6 days (Either First Day or Last Day and Average Options)
- Specifying Three Different Age Groups of Children.
- Stop Sell Based On Check-in or Check-Out.
- Discount Lists, Compatible Discounts With the Contracts.
- Stop Sell Based on Agency, Market and Room Type.
- Different Price and Discounts For The First And the Second Children.
- Define Market- Based Contract and Discount

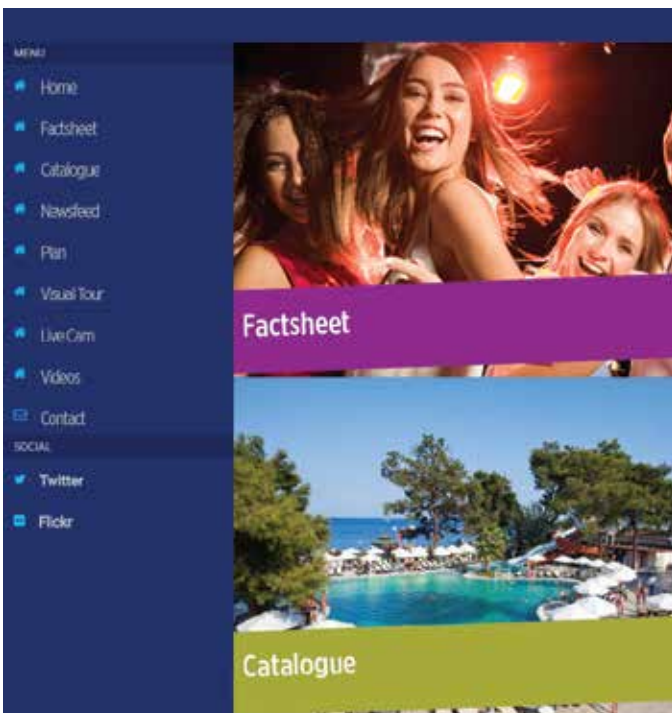

Bundle Sales Together With Flight + Transfer + Activity

Bundling of flight, transfer and other activities through the hotel reservation portal.
Accessing all airports with the most reasonable price.
Private and Public Airport-Hotel transfers.

The screenshot displays the Kkaya website interface. The top navigation bar includes the Kkaya logo, a search bar, and links for Home Page, Hotels & Resorts, About Us, and Contacts. The main content area is divided into two sections. The left section shows flight search results for Condor flights from Berlin, Germany to Antalya, Turkey, with a departure date of 11/9/2016. The right section shows transfer options for a route from Antalya Airport (AYT) Turkey to Kemer Belekli, with a departure time of 11/9/2016 12:00 PM. Below the transfer options is a map titled "Your transfer on the map" showing the location of the airport and the transfer point.

The screenshot displays the hotel website interface. The left sidebar contains a menu with links for Home, Factsheet, Catalogue, Newsfeed, Plan, Visual Tour, Live Cam, Videos, Contact, and Social Media (Twitter, Flickr). The main content area features a large image of a group of people smiling, with a purple banner labeled "Factsheet" overlaid. Below this is another image of a resort pool area, with a green banner labeled "Catalogue" overlaid.
